SUMMARY

Computer Science and Engineering student at Southeast University (CGPA: 3.85) with a strong foundation in programming, data structures, and algorithms, and a keen interest in problem solving and Machine Learning. Experienced in C, C++, Java, and Python, with hands-on exposure to database systems, microprocessor architecture, and version control through Git and GitHub. Has served as a research assistant, contributing to coding, data collection, and technical report writing, and brings additional skills in LaTeX documentation and Canva-based visual design.

EDUCATION

Southeast University

2023 – 2028 (Expected)

B.Sc. in Computer Science and Engineering (CSE) • CGPA: 3.85

Rajshahi Government City College, Rajshahi

2018 – 2020

Higher Secondary Certificate (HSC), Science

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, Python, HTML, CSS
- **Frameworks:** JavaFX
- **Core Concepts:** Database Management, Microprocessors, Data Structures & Algorithms
- **Tools & Platforms:** Git, GitHub, LaTeX, MS Office (Word, PowerPoint), Canva Design, Microsoft 365 Copilot

PROJECTS (github.com/Rabbi1067)

- **Java Console-Based Student Management System** – A console application in Java for managing student records, including add, update, and search functionality
- **Python BMI Calculator** – A GUI-based Body Mass Index calculator built with Python and Tkinter
- **Parking Management System** – A Java-based application to manage vehicle entry, exit, and parking slot allocation
- **DESCO Balance Alert** – A utility tool that checks DESCO prepaid meter balance and sends low-balance alerts

EXPERIENCE

Assistant Coordinator & Data Collector

THIRA Project – Travel Health Impact Research Application, joint research of Kyushu University, Japan & Grameen Communications, Bangladesh

Competitive Programmer (C++)

Dec 2023 – Present

- Solved 900+ problems on Codeforces, Beecrowd, and AtCoder to strengthen algorithmic thinking
- Improved problem-solving speed and optimized algorithm efficiency through regular practice

Class Representative – Southeast University

Dec 2023 – Dec 2024

- Acted as liaison between students and faculty, addressing academic and administrative concerns

Team Leader

- Led and organized an educational visit for Southeast University students to Grameen Social Business Company

Tutor – Balihar High School, Naogaon

Jan 2022 – Jan 2023

- Designed and delivered customized lesson plans tailored to individual learning styles, improving student grades by an average of 20%

ACHIEVEMENTS

- Honorable Mention – ICPC Asia Dhaka Preliminary 2024 (Team: Fahad Faisal, Fazle Rabbi, Ashraful Islam Shanto; Coach: Tashreef Muhammad)
- Participant – ICT Olympiad, DUET CSE Carnival 2026

CERTIFICATIONS

- AI+ Prompt Engineer Level 1, AI CERTs – Jul 2025
- Complete Data Science, Machine Learning, DL, NLP Bootcamp, Udemy (99 hrs) – May 2026
- Python for Machine Learning: The Complete Beginner's Course, Udemy – Oct 2025
- Optimize and Extend Microsoft 365 Copilot, Microsoft – Jun 2025
- Ask Questions and Analyze Content with Microsoft 365 Copilot, Microsoft – Jun 2025
- AI CodeLab Certification Program, IEEE Computer Society SEU SBC & Dept. of CSE, Southeast University
- LaTeX Unlocked: The Research Writing Workshop, IEEE Computer Society SEU SBC – Nov 2025
